

Access Pet Care and Prescriptions from the Comfort of Home

Airvet is here for all your pet's needs, from urgent triage, routine care, over-the-counter recommendations, and even prescriptions.

How to schedule a prescription visit through Airvet

Available for cats and dogs

Airvet can prescribe medications for pet parents residing in the following locations

Even if prescription services are not available in your state or province, there are many over-the-counter options that a veterinarian may recommend to help manage your pet's symptoms. Connect with a vet to learn more.

Canada

Ontario

United States

Alabama

Arizona

California

Florida

Idaho

Kansas

Louisiana
